

**SPEED
THROUGH
PEAK HOUR
RUSHES**

**WITHOUT
SACRIFICING
CUSTOMER
SERVICE**

Make the process even faster for your customers who want to get in and out quickly. Your customers can place their own orders via our Self-Serve Kiosks. The kitchen receives the order immediately, helping to eliminate communication errors and expediting the process.

- » **Seamless Syncing** – Integrate your CRM and loyalty programs seamlessly into your kiosk so customers can earn rewards, quickly view their order history, and easily reorder their favorites.
- » **Reduce Labor**
- » **Improve Efficiency and Reduce Lines**
- » **Customizable home screen** such as background image, logo, message
- » **Provide good visuals with high resolution product photos**
- » **Select add-ons and modifiers**
- » **On-screen signature available**
- » **Accept tips**

- » **Remotely monitor usage** and track sales
- » **Sign up for loyalty card. Earn and redeem loyalty/rewards points**
- » **Issue and redeem gift cards**
- » **Pay with credit and debit cards**
- » **Accept EMV Chip Card** compliant payments, Apple Pay, and Google Pay

**READY TO DRIVE UP
